

# **Kennedy McCollam** (she/her/hers)

*Candidate for School of Music President*

*Major: Music Therapy*

*Year in School: Junior*

“Encourage teamwork between RSOs, provide new ways for students across different majors to connect, strive to make advocacy and action towards inclusivity a priority, focus on outreach within UofL and the greater Louisville area, and create an environment where students feel comfortable voicing their concerns and assured that action will be taken to assist them.”

# **Elliott Campbell** *(he/him, they/them)*

*Candidate for School of Music President*

*Major: Music Ed - Percussion and Theory*

*Year in School: Junior*

"My campaign is about helping to create an accessible and equitable environment for the School of Music students by advocating for healthier attendance policies and more ways to access class content and methods of taking classes, along with advocating for a more diverse curriculum in our music lectures and ensembles."

# **Luke Anderson** *(fluid pronouns, he/she/they)*

*Candidate for School of Music Vice President*

*Major: Music Therapy*

*Year in School: Junior*

"I am hoping to engage students in connecting across their majors, along with RSOs. I am striving for more work in inclusivity in our UofL community. Lastly, I hope to grow in outreach to our Louisville community and providing new ways to amplify the voices of students!"
