Grayson Stinger *(he/him/his)*

Candidate for Services Vice President

Major: Chemistry w/ Business Track

Year in School: Junior

"I want to focus on student health, inclusion, and advancement! Projects and services will prioritize ensuring ALL students are given the best college experience while at UofL."

Alexa Meza *(she/her/hers)*

Candidate for Academic Vice President

Major: Political Science

Year in School: Junior

"My campaign for AVP is focused on bringing progressive ideas of learning and evaluation to UofL that will improve every Cardinal's quality of education and preparation for life after graduation! As AVP, I will commit to enacting innovative solutions that will serve this generation of learners and community leaders."

Jacob Schagene *(he/him/his)*

Candidate for Academic Vice President

Major: Neuroscience, Physics

Year in School: Junior

"My campaign is built on 'bridging gaps'. These include racial gaps, wealth gaps, achievement gaps, communication gaps. Further, I'll push for innovation in teaching that promotes retention. I will promote learning accessibility, snuffing out racial, wealth and health biases. Lastly, I'll tackle online classes by requesting more homogeneity among courses."
